Welcome to the first edition of our newsletter for 2012. The GAA year has started at a pace and already our Under 21 footballers have won two of their games in the Championship. The U14 and U16 footballers have also won the two games that they've played in their leagues.

January was an a very busy month off the field for the club. We held two socials and the juvenile AGM also took place. 2011 was a very successful year for our club. We enjoyed success in underage football hurling and Camogie. Our Junior B hurlers won their championship

and the Junior B Footballers captured the league. The year ahead promises to be a very challenging one for our club but also one with huge opportunities for success. Our underage teams will be on the road again traveling the length and breath of the County trying to secure honours in football and hurling. Our intermediate teams have difficult challenges ahead in the championships. The Intermediate footballers have again drawn Canovee in the first round and Bandon are the opposition in the hurling championship.

We'd like to thank Denis Finnegan for the wonderful work he did as PRO over the last two years and wish him all the best for the future.
